Electrification Quotation and Contract

Date November 16, 1981

The following is a quotation and contract for the repairing and electrification of the Tower Clock in the Carbondale City Hall- Carbondale, PA

Install one Bodine- 2 RPM synchronous control unit on the time side of the clock movement, eliminating the pendulum, time weight, cables and hand winding.

Install one 29 RPM positive drive worm gear reduction type automatic control unit on the strike side of the movement, thus eliminating all the hazardous weights and cables.

Overhaul dial shafts, dial gears, center gears and synchronize hands. Adjust bell hammer and pull wire.

Repair or replace any worn parts of the clock movement.

Perform all other service deemed necessary to guarantee the safe and dependable operation of the clock.

The above electrification service including all parts furnished, is fully warranted and guaranteed for one calendar year. The City of Carbondale must furnish all the necessary electrical wiring. (TO THE TOWER)

This offer and contract is contingent upon and shall be voided by occurrences beyond the control of the parties hereto, including but not limited to flood, strike, riot, insurrection, Act of God, act of the public enemy, fire, earthquake, explosion or other disaster.

RODGERS CLOCK SERVICE will maintain workmen's compensation insurance on all its employees as required by law, and will maintain property damage and public liability insurance to the minimum limit of $10,000 covering the work of all its employees during the performance of the above described service, and RODGERS CLOCK SERVICE hereby specifically agree to indemnify and save harmless the said City of Carbondale from any and all claims for property damage and personal injury caused by the willful or negligent acts of the said RODGERS CLOCK SERVICE, and its authorized representatives, arising in connection with performance of the service described herein.

The offer contained herein shall remain open for ninety (90) days from date first above written.

All the above labor is to be furnished by RODGERS CLOCK SERVICE and is to be paid for by City of Carbondale, PA to the service engineer when the work is completed.

Total $3,000.00
